Cleanup week is being observed in this city in the police department relative to young girls who are in danger of falling into evil ways. Four girls have been conspicuous walking the streets and their actions were called to the attention of the police. Tuesday afternoon Katherine Conaty was arrested by Officer Hurley and charged with the complaint of her mother with being in manifest danger of falling into the ways of vice. She was before the court during the last part of June this year upon complaint of Miss Nancy Austin and was then released by the court because of a lack of proof. Conaty was re-arrested at the time. FINAL ARRANGEMENTS FOR SEND-OFF MADE

Banquet Will be Served to Drafted Men.

The final meeting of the committee in charge of the send-offs for the drafted men was held at the Bank street fire house Tuesday evening to perfect plans for the banquet this evening.

E. F. Chesbro, who has charge of the financial end of the affair, said that his end was coming along all right. Tuesday afternoon he and Mr. Dunn did a little soliciting and received \$50. This is not enough but it shows the sentiment of the people.

Mr. Chesbro received a letter from the belt manufacturers which said that the belts were shipped by parcels post Tuesday and would arrive in this city some time Wednesday.

The idea of substituting the moving pictures for the after-dinner speeches was discussed and discarded since from what could be learned, all of the men who left last time enjoyed the speeches and were very much impressed by them.

Helms' orchestra has been engaged for the evening and popular and patriotic airs will be rendered. The banquet will be a sort of cold meat and tongue supper, similar to the last one.

Mrs. Dimmock, chairman of the canton committee of the Red Cross which has charge of the banquet, says that they are ready for the evening.

The public is cordially invited to the speaking which will commence about 8 o'clock, since the banquet starts at 7.

CHORAL CLUB OBSERVES FIRST ANNIVERSARY
Many Enjoy Banquet and Musical Programme.

The first anniversary of the opening of the rooms of the Choral club on the corner of Church and Main streets was held Tuesday evening in the club's rooms in the form of a banquet and smoker. The rooms were open only to members and nearly all were present. During the evening Pickett's orchestra played several selections and later a light banquet was served. The members also united in several vocal selections.

The Willimantic Choral club was organized about five years ago by Joseph Gaudreau who is now serving his country in the First Regiment band at New Haven. He made a visit to the rooms in the evening, arriving here about 8 o'clock and stayed all night. One year ago the club moved into the new rooms on Main street and it is now one of the biggest of the local young men's clubs.

The club has held many social events since its opening. When the society was organized, the charter members held a banquet at the Wauregan House in Norwich. They have since held many dances in this city and last June they held a banquet in the Johnson House. They are now planning a dance that will have some of the most unusual features of any dance staged in this city.

At the time of the organizing of the club, which is composed chiefly of French-Canadians, there were only fifteen members and the club did not have any club room. At the present time, the society boasts of 45 members, and a well equipped club room, containing a pool table, several card tables, a piano and a victrola.

The present officers are as follows: President, Arthur Beaulieu; vice president, Conrad Dubois; secretary, Valmor Monast; treasurer, Albert Piche; director, Joseph Muller. The meetings are held on the first Tuesday in each month.

Small Fire.
Engine Company No. 1 was called out to put out a small blaze on the corner of Main and Church streets, Tuesday evening, about 9 o'clock. The fire was in the gutter on the east side of the foot of Church street and was caused by some gasoline which had leaked out of a barrel which was in the wagon. The fire was quickly put out by one fire extinguisher.

At the time of the fire, many people were on the streets and a large crowd collected.

New Secretary in Charge.
J. D. Elmendorf, the new secretary for the local Y. M. C. A., took charge Tuesday evening. His goods arrived by auto truck during the afternoon and were placed in his new home, 206 Walnut street.

Mr. Elmendorf was down to the Y. M. C. A. during the evening making friends with the "boys." He is interested in the physical end of the Y. M. C. A. and may take charge of it, which will probably not be very long.

Lecture on Birds.
Rev. Herbert K. Job of West Haven, a well known ornithologist, spoke before a large and interested audience at the Congregational Church House, Tuesday evening. The lecture was given under the auspices of the Willimantic Woman's club in the form of an open meeting. The lecture, which was titled, "The Charm and Value of Wild Birds," was illustrated by a variety of slides.
